

STATEMENT OF PURPOSE

RS18229C2

To better promote innovation and the strategic application of technology to all of Idaho's industries, this piece of legislation updates language to reflect a greater inclusiveness of Idaho industries and a celebration of Idaho's innovative, entrepreneurial and inventive heritage.

Section 1 changes the name of the Science and Technology license plate to Innovation plates.

Section 2 changes the name of the Office of Science and Technology Fund to the Idaho Innovation Fund.

Section 3 changes the name of the Science and Technology Advisory Council to the Idaho Innovation Council.

FISCAL NOTE

No fiscal impact
